BIOGRAPHY

Paul B. Mitchell is the senior Pastor and visionary for ***Changing Lives Christian Center***, located in the East New York section of Brooklyn, NY. Pastor Mitchell believes that, as human beings, we have a responsibility to empower one another. He believes that the human spirit, which houses the purpose for which we've all been created for, must be nurtured, both naturally and spiritually. He believes that everyone is intrinsically designed with a gift that has the power to propel them into their destiny. "Understanding who you are, why you were created and what you were created for - is Key".

Pastor Mitchell was born in **Kingston Jamaica**, the sixth of seven sons to Alfred and Myrtle Mitchell. In 1971, the Mitchell family migrated to the United States. At the tender age of nine years old, Paul remembers his parents working tirelessly and diligently, to provide for him and his brothers. Admiring his parent's work ethics, determination and zeal to make "life" for the family, was the motivation needed to fuel and fulfill the calling on his own life.

Pastor Mitchell was a successful banker for over fourteen years. Working with well-known banks like Chase, First Card and EAB helped to prepare him for the leadership role that he now holds today, naturally and spiritually. January 1st

2003, *Pastor Mitchell* was called to a new role. He transitioned from banker to Pastor, seemingly effortlessly.

In just a few short years, very humbled by the apparent hand of God on his life, *Pastor Mitchell* is shepherding not just a church, in the **East New York section of Brooklyn, NY**, but has become known to the New York Tri-State area, by way of T.V and Radio.
